Kingsford High School —

The initial step toward the materialization of a dream.

Breitung Township Schools

Thank You

THANK YOU - thank you -

To the citizens and taxpayers of Breitung Township Schools; to the Citizens' Planning Committee; to our Board of Education; to the teachers and administrators of our schools; and to everyone who sacrificed a great deal of time, money and energy to turn a dream into a reality. In our modern society very much is said and written by many people about the values of education. Few have the courage displayed by your groups to translate words into action. In the Fall of 1965 we will move into this new high school and we hope that our actions will always merit this expression of confidence you have displayed in us.

*"He that has much in common with his fellowmen
will have much in common with a friend."*

Welcome:

We would like to take this opportunity to wholeheartedly welcome to Kingsford High School our new superintendent and his wife, Mr. and Mrs. Leonard Van Hoven and their family Jay, a student at Hope College, Jane and Jana, students at Garden Village and Westwood School respectively, and Jill, a senior at Kingsford High School.

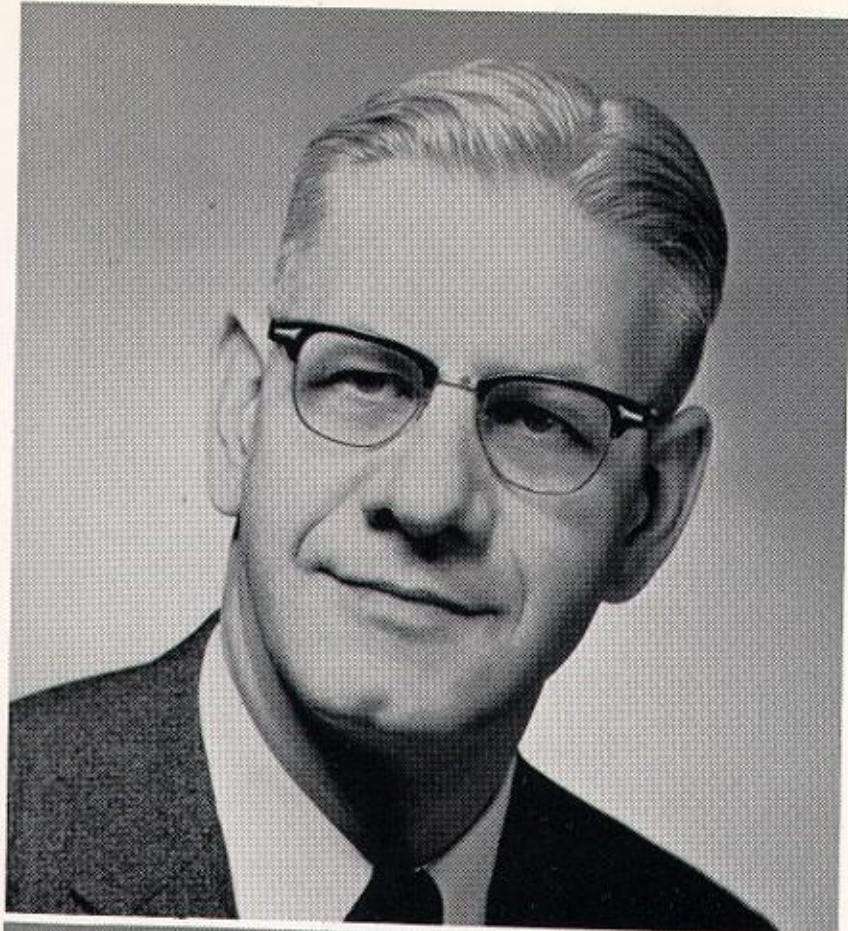

The Van Hovens came from Harbor Springs, Michigan, where Mr. Van Hoven was the superintendent of Harbor Springs High School. They now reside at 541 Woodward Avenue in Kingsford.

Already, in just the brief time since Mr. Van Hoven assumed office, he has won many, many friends and much admiration from the administration, faculty and students of Kingsford High School. We feel that he is one of us - one who is striving to make our school better and who is laboring for our own welfare.

Mr. Van Hoven and family: Welcome to Kingsford, Michigan! May you find much happiness here and remain with us a long time.

SEATED: Mrs. Van Hoven, Mr. Van Hoven, Jill. STANDING: Jay, Jane, Jana.

Dear Students:

It is my sincere wish that your formal education prepares you to lead a happy life whatever your aims or goals may be, and that your high school has provided its proportionate and important segment of that education.

The best of everything to each of you.

1949-1963

Two questions have been asked most frequently since I retired: "Are you enjoying retirement?" and "Do you miss the students and the activities?" To the first I am glad to say that I am, and to the second, I do miss the students but am greatly pleased by the many fine reports of activities and accomplishments.

Since my arrival in 1949 I have been continuously impressed by the whole student body and staff of the Breitung Township Schools. The exemplary conduct of Kingsford High students, in school and out, has brought high praise from many people. Soon, with the new building assured you will have greater opportunities to learn. You have earned it, and you will be inspired by it.

In Memoriam

CLAUDE PHILLIPS

This year it was our great misfortune to lose a beloved employee of Kingsford High School and one of our dearest friends, Claude Phillips. This unexpected loss saddened everyone.

Claude was a member of the maintenance department of our school. He had also driven a school bus for 30 years and he was a familiar sight at Kingsford High School athletic contests. Claude was mayor of Kingsford, a member of the City Council and the County Board of Supervisors.

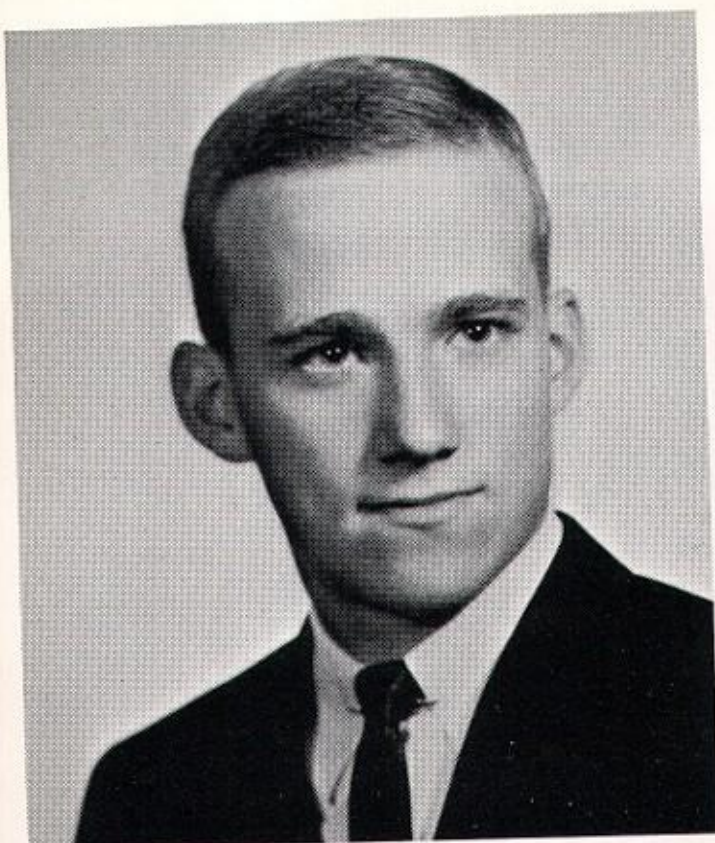

This man, Claude Phillips, was an asset to the city of Kingsford as its civic leader; he was a friend to everyone at Kingsford High School. He was the man who had time for you and your insignificant problems. He would always help you. It will be a long time before we, the people of Kingsford and Kingsford High School, will find another friend quite like Claude.

"It matters not how long we live, but how."

SENIOR ACCOMPLISHMENTS

SUSAN LAWS was chosen the 1964 D.A.R. Good Citizen of Kingsford High School. The Ezra Parker Chapter of the Daughters of the American Revolution annually award a certificate and pin to one senior girl who is named the good citizen of our school. Nomination, based on Honor, Dependability, Service, Leadership, and Patriotism, is first made by her classmates and then forwarded to the faculty for final approval. Sue is now eligible for the Michigan State Good Citizen Award.

Congratulations, Sue!

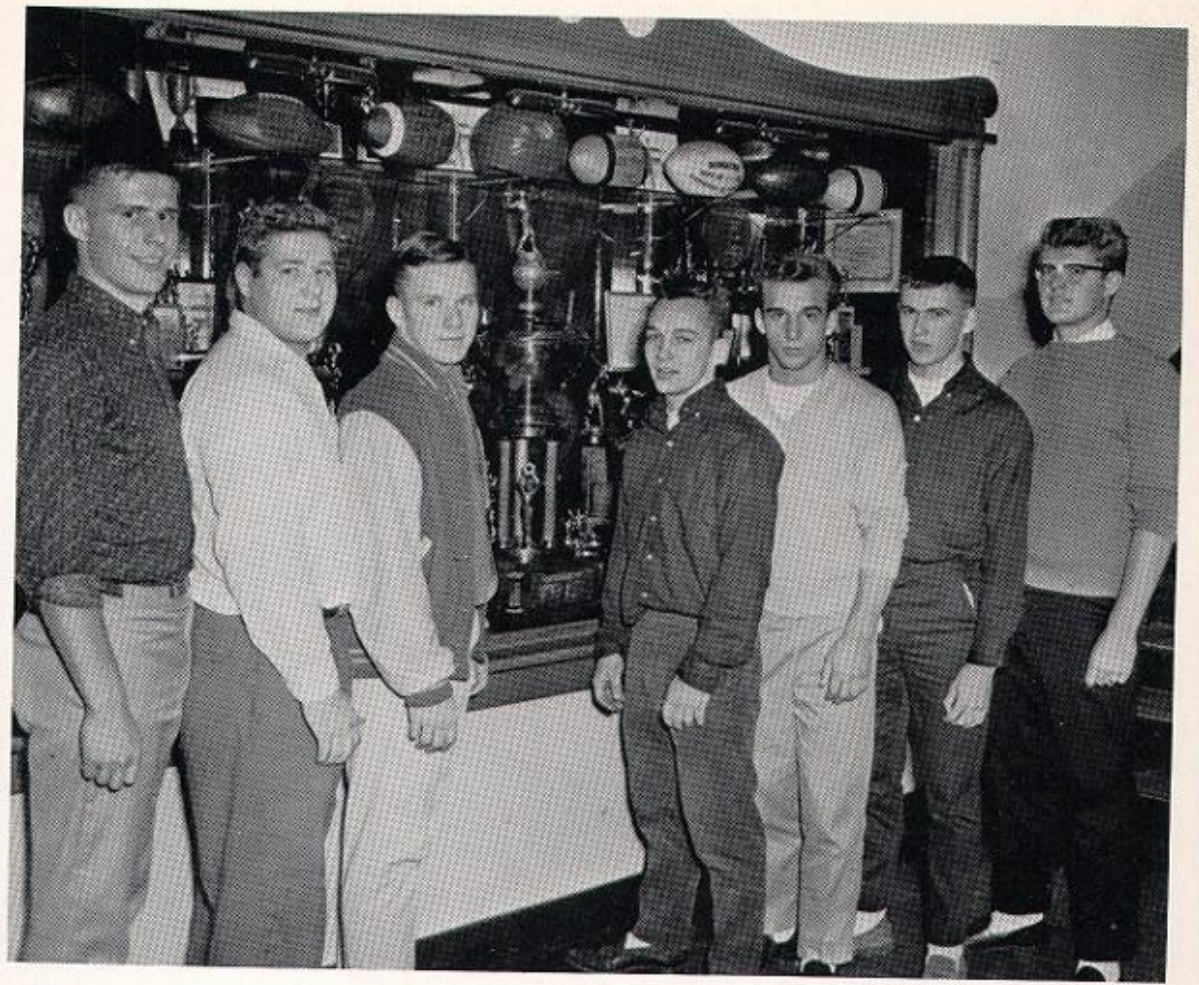

BOB STAPLE was the runner-up in the men's singles in the Iron Mountain Men's Tennis Tournament on August 5, 1963. Bob and his partner, Gene Kargas, a junior, won the doubles. This tennis meet was open to any man from Iron or Dickinson County who wished to compete. There was a field of about 30 contestants participating in this annual affair. These boys deserve extra recognition because they competed against men who are almost pros in our area. Nice going, boys!

KAREN DETERT was named the 1964 Betty Crocker Homemaker of Tomorrow. On December 3, 1963, Karen, among the senior girls scored highest on a written knowledge examination sponsored by the General Mills Company. Karen received a pin and her test paper will be entered in State-wide competition. If Karen wins she will receive a \$1500 scholarship to the college of her choice and our school will be the recipient of a set of the Encyclopedia Britannica. Good job, Karen!

Hi-Y

Tri Hi Y and Hi Y members at a joint meeting.

Hi Y advisor and officers at the outset of their CLEAN UP CAMPAIGN. This year the Hi Y set up disposal containers between the high school and the Kingsford Drugs thus encouraging a general "clean up" of the KHS grounds.

Officers and Advisor, Mrs. Olson proudly pose behind the Thanksgiving baskets that the Tri-Hi-Y girls prepared. These baskets go to the needy families in the area.

Drama Club

Under the direction of Mrs. Johnson the Drama Club started the year with "Wild Rose" in October. Two one-act plays directed by Karen Detert and Ann Dougoveto were presented before the student body in December. In the spring, however, due to unforeseen difficulties plans for doing "Our Town" collapsed.

The Booster Club Presents Don Jacoby

On March 10 a crowd of 600 enjoyed the performance of our band and its featured guest soloist, DON JACOBY. This famed clinician, soloist, and conductor played a brilliant concert and completely won the hearts of all band members.

A feature in the program was a trumpet trio by Carol Gorman and Donna Treankler and, of course, DON JACOBY.

DON JACOBY shows Mr. Calo and Mr. Burgiose the way to direct a passage in one of his solo numbers. Throughout the rehearsal and the concerts there was close contact between DON JACOBY, the directors and the band members.

Senior Government Day — October 28, 1963 - Kingsford High School

Dr. Brake addressing the group. Seated in the background are the main speakers and Ron Tortelli, President of the Student Council, who gave the welcome.

Dickinson County Government Day was held in the Kingsford High School during October. A number of area high schools attended. The purpose of this day devoted to government was to acquaint Seniors with the importance and power of the individual in his government. The meeting was conducted by Dr. D. Hale Brake and Mr. Ward Alquist and Ann Dougoveto were the main speakers. Government officials from all phases of government life were present and in general Senior Government Day proved to be very enlightening!

Just a small portion of the many government officials attending Government Day.

Bob Staple and Judy Fornetti helping conduct group sessions which followed the general assembly held in the morning.

H. Lynn Bloxom provided us with an insight into the marvels of modern science.

Assemblies

Once again, the Student Council brought us some excellent entertainment.

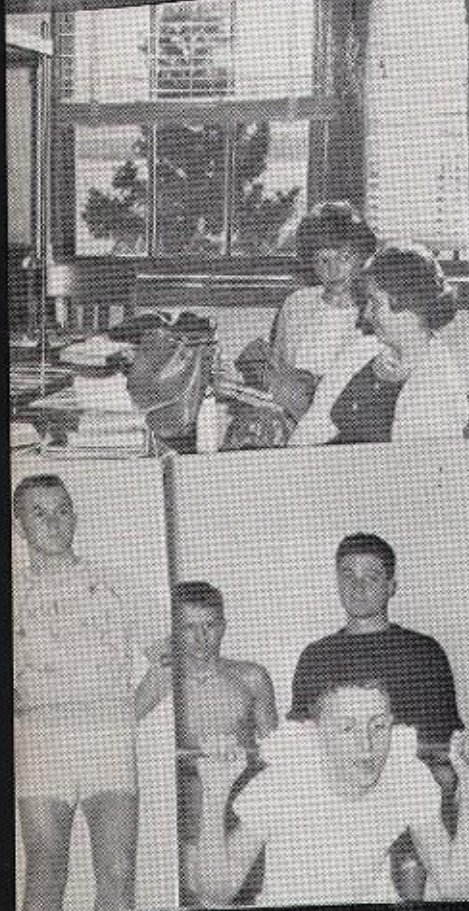

Joss Wind put his musical abilities on display.

Lew Johnwon brought his famous collection of snakes including his giant python. Three "lucky" girls were permitted to hold the snakes. Does it tickle, Susie?

J.V.'s

To carry any team to success a high esprit de corps is always a needed requisite. Our athletic teams have always been fortunate in having behind them a well drilled and disciplined group of Varsity and "J-V" cheerleaders. At our games, pep rallies, and assemblies they have always lead our student body in cheering and building school spirit. Whether playing or cheering our teams are of championship quality.

Varsity Football

The 1963 Kingsford High School grid machine was chosen as the Upper Peninsula "Team of the Year" by the Upper Peninsula Sportswriters Association. The untied and undefeated Flivvers became the recipient of the Barber Trophy-emblematic of Upper Peninsula grid supremacy. Of the four teams in the Upper Peninsula with a perfect record Kingsford received a tribute to its greatness by winning the trophy on the first ballot - receiving six of the nine votes cast.

In the last few years Kingsford High School has been fortunate in its development of one of the finest track records in the Upper Peninsula. A resume of their records show that our track teams have dominated the area in individual events and team records.

Kingsford has won the Range Championship seven of the last eight years; five in succession. In Regional meets six out of the last eight; four in a row; 1963 the U. P. Championship and runners-up in 1962. Our 888 yard relay teams have also won the U. P. Championship.

"Effort"

"The 1963 Kingsford Track Team were true champions all year. This was best shown by the ability of the team to continue winning even after the loss of key personnel. Even at the U. P. Finals this situation prevailed and individual desire were considered but the team came first. This is the mark of true champions."
